About

AIMprogress

VISION

To **positively impact people's lives** and ensure **respect for human rights**, while delivering value to our members and their supply chains.

MISSION

Co-create solutions and **share best practices** to drive positive impact quickly, efficiently and at scale **through collaborative action**, within the branded consumer goods supply chain.

PURPOSE

We **build capability** with **member** and **supplier** organisations so that they have the confidence, knowledge and ability to develop and execute robust responsible sourcing programmes.
